Increase of pay to certain Officers of the Provincial Police Force

Reference — Correspondence ending with Queensland Government letter No 2356-214 of 28th October

It is necessary to state here that the Head Quarters charge consists of two branches (1) Distillery and the inspection of Town and Customs Establishments in Liquors and Stamps. The Head Office is now and has always been the Town in direct charge of both duties. Both branches are, and have always been under the immediate supervision of the Police Magistrate from the date of that appointment —

2) The 2nd important point is that the nature of the work devolving on the Executive staff has increased & the pay altered from time to time. The Queensland Government however represented that the same privileges & arrangements as the

4. The Revenue Journal in paras 1 & 2 explains the differences pointed out in this Office in the figures 1st reported. The differences appears to be mainly due to (1) Two Days pay being excluded in the 1st instance, and to actuals being taken for full allotments, in other cases; and to increased pay to Lt. Davys and full allotments being exhibited in 1894/95. The total allotment is put down for 94/5 at Rs 24,184 and the proposed increase to Rs 1532. The latter figure has been raised by Rs 520 under contingencies. On this latter point the Govt has been recently asked to report particulars of expenditure with a view to raise the Budget grant from Rs 700 to Rs 1200 A portion of the increased proposal to be incurred will have to be met from the Residents Fy & the Resident will have to be addressed on the matter after Sanction of the Govt of India obtained to the increase

From.

The Excise Commissioner

To

The Revenue Secretary to the
Government of Mysore

Sir,

I have the honor to submit, herewith, for the sanction of Government a Proposition statement recommending an increase of pay to the Subordinate Head Quarter establishments of the Excise Department on the grounds therein mentioned.

2. Under the rule of calculation laid down in the Resident's letter No. 3229 / 1995, dated 4th December 1886, to the Dewan, the rates at which the Share of the cost of the Distillery and office establishments, and of the Head Quarters Range, debitable to the civil and Military Station of Bangalore was calculated, were

(8) in file
No: 118 - Section (a).

26 % and 67 %, respectively, for the three years 1890-91, 1891-92 and 1892-93 for which years the amounts paid by the Residency at the said rates, were Rs 7846-5-9, 7977-14-5, and 7839-3-9, respectively. For the succeeding triennium, viz 1893-94, 1894-95 & 1895-96, the rates are respectively 21 % and 63 %, at which Rs 6572-6-8 & 6860-10-6 were received from the Residency for the years 1893-94 and 1894-95. The decrease in the amounts was due mainly to the reduction of the Distillery establishment sanctioned in Government Proceedings No. 1640-1, dated 26th July 1892. The R-Fi-78-92 proportionate share of the cost of the proposed establishments debitable to the civil and military Station, will be Rs 7628-0-7. A Statement showing the necessary details on the above points, is herewith submitted. It will be seen from it that the share of the civil and military Station viz Rs 7628-0-7, will be much less than the amounts

which

which the Residency had during the previous triennium. Under such circumstances, I beg to solicit that the Government may be pleased to sanction the proposed increase

3. I may add that the increase of arrack Revenue alone for the year 1894-95 amounted to Rs 175188, the aggregate increase under all Excise heads being Rs 2,22,404 for the State, and the particulars of the civil & military station being as per margin.

I have the honor to be

Difference =	2938	6	3

2. The work at the Bangalore Distillery being conducted on the same lines as at the Distilleries at Ranipet & Nellicuppam &c in the Madras Presidency, the Excise Commr is requested to ascertain and report, [illegible] what is the strength & cost of the Supervising & Menial staff attached to each Distillery there, in comparison with the same at the Bangalore Distillery & explain the reason for any difference apparent therein between the two. Rates of the former compare with Rates maintained at the Stations.

3. It should be explained if the pay of the Peons cannot be met by dispensing with one of the peons attached to the Excise Commr's Establishment.

From

The Excise Commissioner

To

The Revenue Secretary
to the Government of Mysore

Sir,

In reply to your docket No. 4163 / Ex 123, dated 28th / 31 October 1895, I have the honor to submit the following explanations:—

The sum of Rs 22,777-9-9 in question, is what was actually disbursed in the year 1894-95, including Contingencies, as per particulars in the margin, but not the amount according to the Sanctioned Scale. A copy of the detailed Statement showing the actuals for 1894-95 on which the proportionate share

	Rs.	A.	P.
Pay of Assistant to the Excise Commissioner	6000	—	—
Pay of distillery staff and office excluding the Excise Commissioner's orderlies & establishment	10,631	8	1
Contingencies	1200	—	—
Total	17,831	8	1
Head Quarters Executive Staff	4946	1	8
Grand Total	22,777	9	9

Share of the establishment viz Rs 6860-10-6, was received from the Resident's Treasury, as per your Memo No. 2713 Ex 72, dated 4th September 1895, is herewith sent for reference.

2. The figures of the above items in accordance with the present Sanctioned Scale would be as follows:-

	Per annum Rs. A. P
Pay of Assistant to the Excise Commissioner	7200-0-0 ✓
Distillery establishment	3744-0-0 ✓
Office establishment excluding Excise Commissioner's orderlies & Lascar	7584-0-0
Contingencies	700-0-0 ✓
Head Quarters executive staff	4956-0-0 ✓
	24,184-0-0

Add the items of increase as per proposed Scale:-

	Rs. A. P	
Office	36-0-0	
Distillery	696-0-0	
Head Quarters Executive Staff	300-0-0	
	132	
Contingencies	500-0-0	
		1532-0-0
		25,716-0-0

This last is the figure shown in the margin of your docket under reply.

3. The Central Distillery System which is in force in Mysore, does not prevail in the Madras Presidency in which all the distilleries are "Private distilleries." Those at Ranipet & Nellikuppam are Private

"Private Distilleries" which are not conducted on the same lines as the Government Central Distillery However, the following information has been obtained from the Madras authorities in respect of the principal Distilleries in the Madras Presidency:-

Name of Distillery	Establishment	Average daily issues
Rampet - average 150	Assistant Inspector on Rs 125 to 175 with 2 peons	800 gallons
Nellikuppam	Assistant Inspector on Rs 150 with 1 clerk on Rs 25 + 3 peons	774 gallons
Madras city Vepery Distillery	1 Assistant Inspector on Rs 150 and 1 Sub Inspector on Rs 70 with 3 peons	139 gallons
Mangalore	Do	86 gallons

125/175 = 300/150 = 2

The above establishments are supervised by the Inspectors of the respective Ranges, whose salaries range from Rs 300 to Rupees 400.

Proceedings No 1 dated 4 Jan 1917

The Secretary to the Abkari Commissioner, Madras, states that the strength of the preventive establishment at Distilleries is now under consideration and that of Nellikuppam is quite inadequate. It will be seen from the above that, although the issues at the Madras city Distillery amount to only 139 gallons per diem against 1500 gallons in our Distillery, yet there are two supervising officers in the former,

1 on Rs 150 and the other on Rs 70, while in the latter there are now two officers 1 on Rs 100+15 and the other on Rs 50+15. It must be here added that the Superviseing officers and the accountant in our distillery have to issue Ganja and Majum and keep the accounts thereof in addition to the onerous duties pertaining to arrack and other Country Spirits

4 Having learnt that the Distillery at Surat in the Bombay Presidency is a Government Central Distillery like ours, I obtained the requisite information regarding it, which is as per particulars below :-

Superviseing Establishment	Menial Establishment	Guard
1 Inspector on Rs 150. 1 Assistant Inspector on Rs 100. 1 Karkun on Rs 25 1 Weighing Karkun on Rs 12	Three orderlies	1 Jack + 4 Sentries

It should be here noted that besides the Government Central distillery at Surat there are several others in the Bombay Presidency viz Belgaum, Dhulia, Mandhwa, Dharwar, Sholapur, Sattara, Ghodhra, Nasik, Ahmedabad and Bijapur, while there is only one

Government

Government Central Distillery for the whole Province of Mysore including the Civil and Military Station of Bangalore.

5. Under the above circumstances, I beg to submit that even the increased salaries which I have recommended for the establishment in our Government Central Distillery are hardly commensurate with the quantity and responsibility of the work which is performed by them

6. As regards the increase which I have proposed for the Head Superviso, I beg to add that in addition to the duties he has to perform in connection with arrack and drugs, he has been entrusted with the supervision of the work relating to Toddy both at the city and civil & Military Station of Bangalore

Sir, In acknowledging the receipt of your official memo No. 10400 dated the 22nd instant, I have the honor to submit that sanction to the increase to the pay of the Distillery establishment and the office Mutchi may not be deferred pending the settlement of the proposal of the Residency to have a separate supervising agency for the Civil and Military Station, as the organization of such agency would not affect the existing arrangements between the Residency and the Durbar so far as the office and Distillery are concerned; because the Residency will have to continue to bear the proportionate share of the cost of the latter even after the formation of the proposed separate supervising

Staff

Staff for the Civil and Military Station of Bangalore. Under such circumstances, I beg to solicit the favor of early sanction being accorded to the increase recommended for the Distillery establishment and Office Cutcheri. These increases were recommended nearly two years ago and the officials have been cheerfully striving to cope with the increased work in hopes of the bettering of their emoluments. Further delay will take away such hopes, and just at the time of change of manufacturing agency it is most undesirable that their spirits should be damped by disappointment when they have to work with increased energy. I beg very strongly to urge that their case deserves early favorable orders of Government.

I have the honor to be,
Sir

Dewans order on the Revision of Establishment

Before we can sanction any permanent increase we should have some definite satisfactory financial grounds as to improved Revenue for the Free-Tax System. The establishment required in connection with this system may be sanctioned temporarily for the limited period for which it is absolutely required but increase of establishment requir on other grounds may be deferred for the present.
